EJADA

LOCATION: NEW CAIRO.

This project was built around the idea of a 'space journey' to create futuristic work environment that feels innovative and intelligently designed. We focused on separated zoning, structured layouts, and a neutral palette to create clarity and flow. Each level plays a part in the experience, guiding movement and supporting focus and creativity, reflecting EJADA's identity; now and next.

FIRST FLOOR PLAN

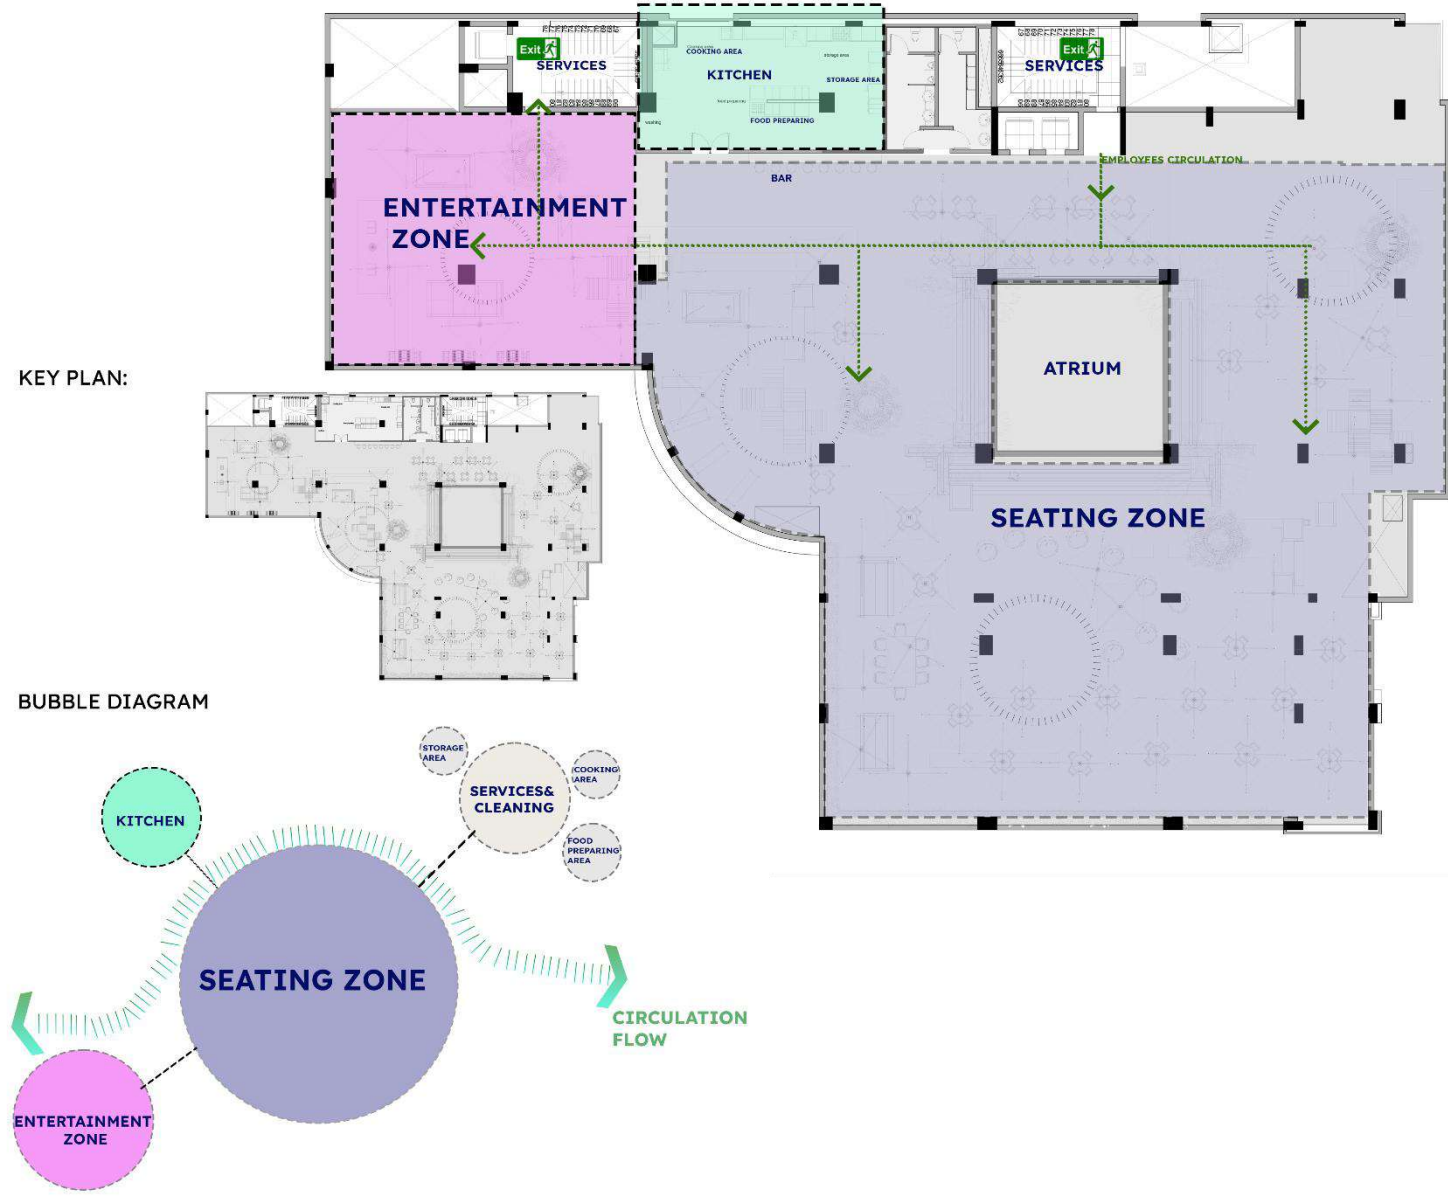

BUBBLE DIAGRAM

KEY PLAN:

The floor plan shows the following rooms and zones:

- Social Area** (top left)
- Conference Room** (top left)
- Collaborative Room** (top left)
- Kitchenette** (top left)
- Break Area** (top left)
- Workspace** (top right)
- Service Zone** (center)
- Reception** (center left)
- Prayer Room** (center)
- Security** (bottom center)
- IT Room** (bottom center)
- Social Area** (bottom center)
- Workspace** (bottom right)
- Open Workspace** (bottom right) - Capacity: 118 per

The plan also includes a grid from A to S and 1 to 5, and arrows indicating movement paths between different areas.

The diagram illustrates a central **CO-WORKSPACE** (dark blue circle) surrounded by several functional zones and circulation paths:

- SHARED ZONE** (light green circle) is connected to the CO-WORKSPACE by a double-headed arrow.
- BREAK AREA** (blue circle) is connected to the CO-WORKSPACE by a double-headed arrow.
- PHOTOCOPY** (small grey circle) is located near the BREAK AREA.
- SERVICES** (light grey circle) is connected to the CO-WORKSPACE by a double-headed arrow.
- GUEST ENTRANCE** (orange circle) is connected to the CO-WORKSPACE by a double-headed arrow.
- INNOVATIVE HUB** (orange circle) is connected to the GUEST ENTRANCE by a double-headed arrow.
- COLLABORATIVE ROOM** (light orange circle) and **CONFERENCE ROOM** (light orange circle) are located near the INNOVATIVE HUB.
- MEETING** (purple circle) is connected to the CO-WORKSPACE by a double-headed arrow.
- TEAM LEADER** (purple circle) is connected to the CO-WORKSPACE by a double-headed arrow.
- CIRCULATION FLOW** (green arrows) indicates the movement of people through the space, starting from the SHARED ZONE and GUEST ENTRANCE, moving towards the CO-WORKSPACE, and then branching out to the various functional zones.

PLAN:

The architectural floor plan illustrates the layout of the first floor. It features a central corridor system connecting various rooms. On the left side, there is a large, irregularly shaped area that appears to be a reception or entrance zone. The central part of the plan contains several smaller rooms, likely offices or meeting spaces, arranged around a central hall. To the right, there is a larger, more rectangular section containing a kitchen area, a reception desk, and several smaller rooms. The plan is detailed with room numbers, door swings, and furniture placement. A north arrow is located in the upper right corner of the plan.

For Bashar Soft, we reimagined their office to reflect energy, creativity, and seamless communication. The renovation of the shared basement area offers a dynamic space for guests, events, and informal meetings. We used vibrant, energy-boosting colors to create an environment that feels both alive and productive. Acoustic walls ensure a noise-free experience while emphasizing the brand's identity, making this office a hub of creativity and collaboration.
